College of Natural Therapies

“Naturopathy is a rewarding career choice for anyone with a passion for health and helping others.”

Ivy College offers flexible courses in Naturopathy. Launch your new career in health and healing with this nationally recognised qualification and begin your very own practice as a Naturopath.
**STUDY ONLINE**
Studying online is easy and convenient using myIVY – the College’s purpose-built learning management system. We’ll even provide a personal tuition session once you’ve enrolled.

**PRACTICAL WORKSHOPS**
Attend regular workshops and receive practical training and support in a simulated or real clinic environment. Visit ivy.edu.au for workshop dates and locations.

**STUDY NOW & PAY LATER**
With the Australian Government student loan scheme, VET FEE-HELP*, eligible students can defer all tuition fees. You’re not required to pay for your course until you reach the repayment threshold which is $54,126 for the 2015-16 income year. Repayments are then made via the taxation system. VET FEE-HELP is available on all courses delivered by Ivy College on behalf of Study Group Australia.

**NATIONALLY RECOGNISED**
Courses delivered by Ivy College are all nationally recognised, the same as TAFE courses.

**START ANYTIME**
Apply online and begin your course today.

**STUDY ANYTIME**
As an online student you can study anywhere! There are no timetables, no semesters and no deadlines. Ivy courses are designed to meet your needs; not the needs of the College.

**RECEIVE A "STUDY COACH FOR LIFE"**
Our 'Study Coach for life' policy means a single academic point of contact is allocated to you for the life of your enrolment. You can ask questions and receive a quick response from the one person throughout your study.

**CAREER SUPPORT**
Our job is to help you achieve the career you want; not just the course you need to qualify. Our career services can be tailored to include professional resume building, one-on-one career coaching sessions, personal career plan development and LinkedIn profile updates.

**“FREEZE” YOUR STUDY**
We know you have busy periods that prevent you from studying. At Ivy you can freeze your enrolment for up to 3 months just like you would with your gym membership.

**NO ADMINISTRATION OR ADMISSION FEES**
Another reason to choose Ivy.

**APPLY ONLINE AND START IMMEDIATELY**
Provided you meet the minimum entry criteria, you can apply entirely online - no paperwork - and begin your course immediately.

Work Placement and Workshops

Work Placement

To successfully complete this qualification students will participate in a Work Placement of up to 200 hours within a naturopathic clinic environment. During their Work Placement students will need to perform practical tasks to industry standard, and with a range of clients. Ivy can assist students with finding a suitable work placement to satisfy this essential component of the course.

What if I can’t find a suitable work placement?

If you are unable to access a work placement you will be required to practice, demonstrate and apply the required skills and knowledge at Ivy College workshops, utilising a simulated or real naturopathic clinic environment and supervised by your trainer.

Workshops

Our unique blended learning model offers the ultimate flexibility. Study online at your own pace, supported by your trainer, then attend regular workshops at one of our training locations in Sydney, Brisbane, Melbourne, Perth or Adelaide. At the workshops you will:

- receive practical training on essential components of this course
- develop and demonstrate the skills required of a qualified naturopath
- complete the First Aid subject, and
- access personal support from your trainer.

Whilst the workshops are not mandatory for those students with an approved work placement, it is highly recommended that all students attend. For anyone unable to secure a work placement, workshop attendance is mandatory. Workshop dates and locations are subject to change and minimum numbers. Latest schedule is published online at www.ivy.edu.au/courses/natural-therapies/advanced-diploma-of-naturopathy/

** Ivy College does not deliver or assess First Aid (i.e. HLTFJ311A Apply first aid), but we organise for this unit to be delivered by another provider at our workshops. Students may elect to complete this unit by attending our workshop or alternatively complete it with another provider (at the student’s own expense). Students are required to provide evidence of having attained this unit of competency in order to be eligible for the qualification.
Follow these 6 easy steps to launch your new career in naturopathy.

1. Apply and commence online study immediately. Study now and pay later with VET FEE-HELP.

2. Complete subjects at your own pace and at a time you choose. Receive support from your dedicated trainer, even outside business hours. If life gets too busy "freeze" your study for up to 3 months*, at no cost (provided you advise us on or before the relevant census date).

3. Interact with other students via online discussion forums. Submit assessments as you go and receive feedback within 72 hours.

4. Attend regular workshops, to:
   (i) receive practical training
   (ii) develop & demonstrate your skills
   (iii) complete the First Aid subject, and
   (iv) get personal support.

5. Complete an approved work placement and/or participate in Ivy College workshops in a simulated or real naturopathic clinic environment, supervised by your trainer.

6. Before you graduate receive career coaching and support services to help land your dream job.

* "Freeze" your study option available provided all subjects are completed by 31 December 2018.

Entry Requirements

To enrol in any of Ivy’s Diploma-level courses you will need to have one of the following:

- Australian Year 12 or equivalent; or
- a Certificate IV; or
- during the enrolment process be able to demonstrate that you have the skills and capability to succeed in the course.

All students are also required to have a unique email address.

Technology Requirements

Once enrolled, you will gain access to myIVY, your purpose-built learning management system, in order to complete your coursework and assessment tasks. To do this you will need access to a computer satisfying the following minimum systems requirements:

Operating system: Windows, Mac OS X, Linux

Software: Adobe Acrobat Reader (latest versions available for free download at Adobe website)

Internet: Supported browsers include Firefox 3+, Google Chrome 4+, Microsoft Internet Explorer 7 and 8, Opera 9+, Safari 3+ (download latest browser software for free online). You will need a reliable internet connection, preferably Broadband (64 Kbit/sec or faster)

Access to a printer and digital camera/recording device is also required.

RPL & Mutual Recognition

Recognition of Prior Learning (RPL) is the formal acknowledgment of your existing skills and knowledge, gained from work and life experience. It’s based on the premise that you do not need to undertake training for skills you already possess.

The RPL application process requires you to provide evidence of, or demonstrate, your current ability to competently perform the requirements of a unit(s) of competency within your course.

Qualifications and VET Statements of Attainments issued by another Registered Training Organisation will be recognised by Ivy College via our Mutual Recognition process. You will be asked if you would like to apply for RPL or Mutual Recognition on the enrolment form.

Recognition of Prior Learning (RPL) 30% of each unit fee - refer to www.ivy.edu.au/get-started/recognition-of-prior-learning/ for detail

Additional Fees

- Mutual Recognition: No Charge
- Incidental Fees: Refer to ivy.edu.au/get-started/faqs/
If you’re ready to take the step towards a more satisfying career, there’s nothing stopping you.

Our courses have no semester intakes so you can literally begin whenever you like, and if eligible you can defer payment by applying for VET FEE-HELP.
