“If you want to be the next big thing you need to know the theories & strategies to succeed...”

Ivy College offers flexible courses in Marketing and Business designed to give you the skills, practical tools and confidence to succeed.
Studying online is easy and convenient using myIVY, the College’s purpose-built learning management system. We’ll even provide a tuition session once you’ve enrolled.

For added support, you have the option of attending our regular workshops – where you can meet face to face with your trainer and study peers to discuss course work and share challenges.

Courses delivered by Ivy College are all nationally recognised, the same as TAFE courses.

With the Australian Government student loan scheme, VET FEE-HELP*, eligible students can defer all tuition fees. You’re not required to pay for your course until you reach the repayment threshold which is $54,126 for the 2015-16 income year. Repayments are then made via the taxation system.

VET FEE-HELP is available on all courses delivered by Ivy College on behalf of Study Group Australia.

We know you have busy periods that prevent you from studying. At Ivy you can freeze your enrolment for up to 3 months, just like you would with your gym membership. If you advise us on or before the relevant census date, no fees will apply.

Our job is to help you achieve the career you want; not just the course you need to qualify. Our career services can be tailored to include professional Résumé building, one-on-one career coaching sessions, personal career plan development and LinkedIn profile updates.

As an online student you can study anywhere! There are no timetables, no semesters and no deadlines. Courses are designed to meet your needs; not the needs of the College.

Our “Study Coach for life” policy means a single academic point of contact is allocated to you for the life of your enrolment. You can ask questions and receive a quick response from the one person throughout your study.

Apply online and begin your course today.

Workshops

- PERSONAL SUPPORT
- OPTIONAL ATTENDANCE
- CONVENIENT CBD LOCATIONS

Just because you’re learning online doesn’t mean you’re on your own. You will have the opportunity to attend regular workshops at one of our training locations in Sydney, Brisbane, Melbourne, Perth or Adelaide.

These workshops are designed for those students who want additional support. While not a compulsory part of the course, it’s reassuring to know that you can meet up with trainers and peers on a regular basis, if necessary.

Whether or not you decide to attend the workshops, our “Study Coach for Life” policy ensures each student has a single academic point of contact for the full term of their course. You may contact your trainer by logging into myIVY, email, Live Chat, video conference or telephone appointment.

Workshop dates and locations are subject to change and minimum numbers. Latest schedule is published online at http://www.ivy.edu.au/courses/business-management/double-diploma-marketing-business
