College of Business & Management

“If you want to be the next big thing you need to know the theories & strategies to succeed…”

Ivy College offers flexible courses in Business & Management - designed to give you the skills, knowledge and confidence to take the lead in life.
**Why Choose IVY?**

- **STUDY ONLINE**
  Studying online is easy and convenient using myIVY – the College's purpose-built learning management system. We’ll even provide a personal tuition session once you’ve enrolled.

- **FREE SUPPORT WORKSHOPS**
  For added support, you have the option of attending our free, quarterly, weekend workshops – where you can meet face to face with your trainer and study peers to discuss course work and share challenges.

- **STUDY NOW & PAY LATER**
  With the Australian Government student loan scheme, VET FEE-HELP, eligible students can defer all tuition fees. You’re not required to pay for your course until you reach the repayment threshold which is currently $51,309. Repayments are then made via the taxation system.

- **NATIONALLY RECOGNISED**
  Ivy College courses are all nationally recognised, the same as TAFE courses.

- **START ANYTIME**
  Apply online and begin your course today.

- **STUDY ANYTIME**
  As an online student you can study anywhere! There are no timetables, no semesters and no deadlines. Ivy courses are designed to meet your needs; not the needs of the College.

- **RECEIVE A "TRAINER FOR LIFE"**
  Our trainer for life policy means a single academic point of contact is allocated to you for the life of your enrolment. You can ask questions and receive a quick response from the one person throughout your study.

- **COMPLIMENTARY CAREER SERVICES**
  Our job is to help you achieve the career you want; not just the course you need to qualify. Our complimentary career services can be tailored to include professional resume building, one-on-one career coaching sessions, personal career plan development and LinkedIn profile update.

- **"FREEZE" YOUR STUDY**
  We know you have busy periods that prevent you from studying. At Ivy you can freeze your enrolment for up to 3 months just like you would with your gym membership.

- **NO ADMINISTRATION OR ADMISSION FEES**
  Another reason to choose Ivy

Just because you're learning online doesn't mean you're on your own. Each quarter, you will have the opportunity to attend a free workshop at one of our training locations in Sydney, Brisbane or Melbourne.

These free workshops are designed for those students who want additional support. While not a compulsory part of the course, it's reassuring to know that you can meet up with trainers and peers on a regular basis, if necessary.

Whether or not you decide to attend the workshops, our “Trainer for Life” policy ensures each student has a single academic point of contact for the full term of their course. You may contact your trainer by logging in to myIVY, email, Live Chat, video conference or telephone appointment.

*Workshop dates and locations are subject to change and minimum numbers. Latest schedule is published online at www.ivy.edu.au.*
