College of Business & Management

“Effective project management is vital for an organisation to meet its goals.”

Ivy College offers flexible courses in Project Management. Gain the essential skills to lead and evaluate any project with confidence.
STUDY ONLINE WITH A QUALITY PROVIDER
Studying online is easy and convenient using myIVY, the College’s purpose-built learning management system. We’ll even provide a tuition session once you’ve enrolled.

SUPPORT WORKSHOPS
For added support, you have the option of attending our regular workshops – where you can meet face to face with your trainer and study peers to discuss course work and share challenges.

STUDY NOW & PAY LATER
With the Australian Government student loan scheme, VET FEE-HELP*, eligible students can defer all tuition fees. You’re not required to pay for your course until you reach the repayment threshold which is $53,345 for the 2014-15 income year. Repayments are then made via the taxation system. VET FEE-HELP is available on all courses delivered by Ivy College on behalf of Study Group Australia.

NATIONALLY RECOGNISED
Courses delivered by Ivy College are all nationally recognised, the same as TAFE courses.

START ANYTIME
Apply online and begin your course today.

STUDY ANYTIME
As an online student you can study anywhere! There are no timetables, no semesters and no deadlines. Courses are designed to meet your needs; not the needs of the College.

RECEIVE A "STUDY COACH FOR LIFE"
Our “Study Coach for life” policy means a single academic point of contact is allocated to you for the life of your enrolment. You can ask questions and receive a quick response from the one person throughout your study.

CAREER SUPPORT
Our job is to help you achieve the career you want; not just the course you need to qualify. Our career services can be tailored to include professional Résumé building, one-on-one career coaching sessions, personal career plan development and LinkedIn profile updates.

“FREEZE” YOUR STUDY
We know you have busy periods that prevent you from studying. At Ivy you can freeze your enrolment for up to 3 months, just like you would with your gym membership. If you advise us on or before the relevant census date, no fees will apply.

NO ADMINISTRATION OR ADMISSION FEES
Another reason to choose Ivy.

APPLY ONLINE AND START IMMEDIATELY
Provided you meet the minimum entry criteria, you can apply entirely online – no paperwork - and begin your course immediately.

For alignment of these subjects to units of competency from the training package visit ivy.edu.au.

Availability of subjects may change in which case an alternative subject will be offered.

Workshops

Just because you're learning online doesn't mean you're on your own. You will have the opportunity to attend regular workshops at one of our training locations in Sydney, Brisbane, Melbourne, Perth or Adelaide.

These workshops are designed for those students who want additional support. While not a compulsory part of the course, it's reassuring to know that you can meet up with trainers and peers on a regular basis, if necessary.

Workshop dates and locations are subject to change and minimum numbers. Latest schedule is published online at ivy.edu.au.
5 easy steps to success!

Follow these 5 easy steps to launch your new career in project management.

1. Eligible applicants may apply online and commence study immediately. Study now and pay later with VET FEE-HELP.

2. Complete subjects at your own pace and at a time you choose, within the course duration. Receive support from your dedicated trainer, including outside of business hours. If life gets too busy, "freeze" your study for up to 3 months, at no cost (provided you advise us on or before the relevant census date).

3. Interact with other students via online discussion forums. Submit assessments as you go and receive feedback within 72 hours.

4. For personal support choose to attend optional workshops.

5. Before you graduate, receive career support to help land your dream job, including career-coaching, Résumé reviews and LinkedIn profile updates.

Entry Requirements

To enrol in any of Ivy's Diploma-level courses you will need to have one of the following:

- Australian Year 12 or equivalent; or
- a Certificate IV; or
- during the enrolment process be able to demonstrate that you have the skills and capability to succeed in the course.

All students are also required to have a unique email address.

Technology Requirements

Once enrolled you will gain access to myIVY, your purpose-built learning management system, in order to complete your coursework and assessment tasks. To do this you will need access to a computer satisfying the following minimum systems requirements:

Operating system: Windows, Mac OS X, Linux

Software: Adobe Acrobat Reader (latest versions available for free download at Adobe website)

Internet: Supported browsers include Firefox 3+, Google Chrome 4+, Microsoft Internet Explorer 7 and 8, Opera 9+, Safari 3+ (download latest browser software for free online). You will need a reliable Internet connection, preferably Broadband (64 Kbit/sec or faster)

Access to a printer and digital camera/recording device is also required.

RPL & Mutual Recognition

Recognition of Prior Learning (RPL) is the formal acknowledgment of your existing skills and knowledge, gained from work and life experience. It’s based on the premise that you do not need to undertake training for skills you already possess.

The RPL application process requires you to provide evidence of, or demonstrate, your current ability to competently perform the requirements of a unit(s) of competency within your course.

Qualifications and VET Statements of Attainments issued by another Registered Training Organisation will be recognised by Ivy College via our Mutual Recognition process. You will be asked if you would like to apply for RPL or Mutual Recognition on the enrolment form.
